Letter from the Agent to the Governor-General, Rajpootana States, dated 21st October 1859.

RESOLUTION.—The Hon'ble the President in Council is pleased to direct that paragraphs 1 to 9 of

the above-mentioned Despatch from Her Majesty's Secretary of State for India be published in the *Official Gazette* of Calcutta, the North-Western Provinces and the Punjab, for general information.

2. The Governments of Bengal, the North-Western Provinces and the Punjab, the Chief Commissioner of Oude, and the Governor-General's Agents in Rajpootana and Central India will appoint one or more well qualified Officers,

as noted in the margin, under the designation of *Compensation Commissioner*, for the purpose of conducting such further

1. I have received and considered in Council your Despatches in this Department, dated the 23rd April last, Nos. 58 and 59, together with the papers which accompanied them, on the subject of the claims preferred to Compensation for losses of Property and Effects sustained during the recent Mutiny.

2. In Lord Stanley's Financial Despatch, dated the 28th October last, No. 17, noticing a Memorial from certain sufferers by the Mutiny, it was observed that the appointment of a Committee of investigation was in itself evidence of an intention to entertain claims to Compensation, so far as might be consistent with the interests of the State. It is not therefore necessary to discuss the question of granting some Compensation to those who have sustained losses, nor are Her Majesty's Government disposed to make any distinction between losses sustained by Europeans, whether servants of the State or otherwise, and by Natives of India whose active loyalty during the disturbances can be clearly established.

3. Her Majesty's Government cannot admit that there is any ground for the claims put forward by firms or individuals for losses of profits which, but for the Mutiny, might have been realized, or by Insurance Offices for loss of Premiums through the death of persons whose lives had been assured.

4. The total amount of claims for loss during the Indian Mutiny, in support of which, so far as can be ascertained from the papers forwarded by you, *prima facie* evidence has been laid before the Commissioners, is Rs. 2,07,83,214, while further claims amounting to Rs. 32,67,763 are doubtful or require the production of further evidence. Of the former amount the sum of Rs. 8,25,493 represents the value of Plate, Jewellery, &c. The claims of Insurance Companies on account of loss of lives assured by them amount to Rs. 4,13,821 independently of the further claims on the same account which were forwarded with your letter No. 59.

5. After full consideration of the subject, Her Majesty's Government are of opinion that in granting Compensation a distinction should be made between losses on Buildings, Factories or Crops; and losses of Cash, Jewels and Articles of personalty. They have accordingly determined, that in regard to the former, when the amount of the admitted loss shall not exceed Rs. 2,000, Compensation to the extent of one-half shall be awarded, and in cases where the admitted loss shall exceed Rs. 2,000, Compensation shall be awarded to the extent of Rs. 1,000, and one-third of the sum by which the loss shall exceed Rs. 2,000. In regard to Cash, Jewels and Articles of personalty, they consider it proper to limit the Compensation to one-third of the admitted loss, in no one case granting a larger amount than Rs. 5,000.

6. It remains to decide in what way the amount required to meet the claims shall be provided, and when and in what form it shall be disbursed.

7. Her Majesty's Government agree with your Lordship that it would not be advisable that fines should be imposed on the rebellious Districts for the purpose of providing the necessary funds for this object.

8. In the present condition of the Finances of India, any additional charge upon the Revenues is necessarily most inconvenient, and Her Majesty's Government are of opinion that the amount to be granted must be limited by that consideration. They are anxious to meet as promptly as may be practicable the claims of the numerous sufferers, and they have therefore decided that the Compensation awarded shall be paid out of the General Revenue of the State, and be disbursed in cash in India at the earliest practicable period.

9. According to the information at present before me, and as far as I am able to form an estimate from the Statements forwarded, the amount which will have to be provided as Compensation, under the principle laid down in this Despatch, will not exceed Rupees 80,00,000; but Her Majesty's Government desire that it should be distinctly understood, that whatever may be the amount of losses substantiated, no larger sum than Rupees 1,00,00,000 can be granted for payment of Compensation, and that in the event of this sum being insufficient to satisfy the claims established on the foregoing principles, a *pro rata* reduction must be made. I shall be prepared to remit to you the requisite sum in the course of the ensuing winter.

could not have been prevented by the exercise of common prudence on the part of those who sustained them.

6. As regards the claims of Natives whose active loyalty during the Mutiny has not already been clearly established, full proof of the same shall be required by the Compensation Commissioners before an award is given in their favor.

7. Losses of Merchandize and Stock in Trade will be classed with losses on Buildings, Factories and Crops.

8. In cases in which grants of money may have been made under the Rules of the 13th November 1857, (amended on the 21st July 1858) for the grant of assistance to sufferers in consequence of the Mutinies, the sums so granted will be taken into consideration in determining the amount of Compensation to be awarded under this Resolution.

9. When the enquiries of the Compensation Commissioners have been completed, an Abstract Statement of the results, showing the amount of claim made good in each case, will be forwarded to this Department, when it will be determined, on an inspection of the whole of the Abstract Statements, whether the full proportion of the claims that may have been established on the principles laid down in the Despatch of Her Majesty's Secretary of State can be paid; or whether a *pro rata* reduction must be made.

10. Inquiries into claims will ordinarily be made by the Commissioners themselves, but if in any case it should appear to them to be advisable that a local investigation should be instituted, they will be at liberty to cause such local investigation to be made through the Collector of the District, or other Officer exercising the functions of a Collector, on the distinct understanding that the results of such investigation must be reported to the Compensation Commissioners in time to enable them to complete their enquiries within the period mentioned in paragraph 3 of this Resolution.

11. The date for the payment of the Compensations which may be determined on will be fixed on the receipt of the Abstract Statements above alluded to, and will not, it is fully expected, be later than two months from the date appointed for the closing of the investigations.

12. Where two or more Compensation Commissioners are appointed, it will be understood that they should act independently of each other and at different places, and not that they should form one united Commission.

Letter from the Agent to the Governor-General in Central India, dated 12th October 1859.

Letter from the Agent to the Governor-General, Rajpootana States, dated 21st October 1859.

RESOLUTION.—The Hon'ble the President in Council is pleased to direct that paragraphs 1 to 9 of

1 I have received and considered in Council your Despatches in this Department dated the 23rd April last, Nos. 58 and 59, together with the papers which accompanied them, on the subject of the claims preferred to Compensation for losses of Property and Effects sustained during the recent Mutiny.

2. In Lord Stanley's Financial Despatch, dated the 28th October last, No. 17, noticing a Memorial from certain sufferers by the Mutiny, it was observed that the appointment of a Committee of investigation was in itself evidence of an intention to entertain claims to Compensation, so far as might be consistent with the interests of the State. It is not therefore necessary to discuss the question of granting some Compensation to those who have sustained losses, nor are Her Majesty's Government disposed to make any distinction between losses sustained by Europeans, whether servants of the State or otherwise, and by Natives of India whose active loyalty during the disturbances can be clearly established.

3. Her Majesty's Government cannot admit that there is any ground for the claims put forward by firms or individuals for losses of profits which, but for the Mutiny, might have been realized, or by Insurance Offices for loss of Premiums through the death of persons whose lives had been assured.

4. The total amount of claims for loss during the Indian Mutiny, in support of which, so far as can be ascertained from the papers forwarded by you, *prima facie* evidence has been laid before the Commissioners, is Rs. 2,07,83,214, while further claims amounting to Rs. 32,67,783 are doubtful or require the production of further evidence. Of the former amount the sum of Rs. 9,25,493 represents the value of Plate, Jewellery, &c. The claims of Insurance Companies on account of loss of lives assured by them amount to Rs. 4,13,821 independently of the further claims on the same account which were forwarded with your letter No. 59.

5. After full consideration of the subject, Her Majesty's Government are of opinion that in granting Compensation a distinction should be made between losses on Buildings, Factories or Crops; and losses of Cash, Jewels and Articles of personalty. They have accordingly determined, that in regard to the former, when the amount of the admitted loss shall not exceed Rs. 2,000, Compensation to the extent of one-half shall be awarded, and in cases where the admitted loss shall exceed Rs. 2,000, Compensation shall be awarded to the extent of Rs. 1,000, and one-third of the sum by which the loss shall exceed Rs. 2,000. In regard to Cash, Jewels and Articles of personalty, they consider it proper to limit the Compensation to one-third of the admitted loss, in no one case granting a larger amount than Rs. 5,000.

6. It remains to decide in what way the amount required to meet the claims shall be provided, and when and in what form it shall be disbursed.

7. Her Majesty's Government agree with your Lordship that it would not be advisable that fines should be imposed on the rebellious Districts for the purpose of providing the necessary funds for this object.

8. In the present condition of the Finances of India, any additional charge upon the Revenues is necessarily most inconvenient, and Her Majesty's Government are of opinion that the amount to be granted must be limited by that consideration. They are anxious to meet as promptly as may be practicable the claims of the numerous sufferers, and they have therefore decided that the Compensation awarded shall be paid out of the General Revenue of the State, and be disbursed in cash in India at the earliest practicable period.

9. According to the information at present before me, and as far as I am able to form an estimate from the Statements forwarded, the amount which will have to be provided as Compensation, under the principle laid down in this Despatch, will not exceed Rupees 80,00,000; but Her Majesty's Government desire that it should be distinctly understood, that whatever may be the amount of losses substantiated, no larger sum than Rupees 1,00,00,000 can be granted for payment of Compensation, and that in the event of this sum being insufficient to satisfy the claims established on the foregoing principles, a *pro rata* reduction must be made. I shall be prepared to remit to you the requisite sum in the course of the ensuing winter.

could not have been prevented by the exercise of common prudence sustained them.

the above-mentioned Despatch from Her Majesty's Secretary of State for India be published in the *Official Gazette* of Calcutta, the North-Western Provinces and the Punjab, for general information.

2. The Governments of Bengal, the North-Western Provinces and the Punjab, the Chief Commissioner of Oude, and the Governor-General's Agents in Rajpootana and Central India will appoint one or more well qualified Officers, as noted in the margin, under the designation of *Compensation Commissioner*, for the purpose of conducting such further enquiries as may be deemed necessary into the claims which have been registered, and for disposing of the same.

3. The decision of the Compensation Commissioners as to the amount of claim made good shall be final, and it is determined that the enquiries shall be completed within four months from the 15th proximo.

4. In order that all parties may have a full opportunity of establishing their claims, His Honor in Council desires that, in addition to the issue of Notifications on the part of the Compensation Commissioners, separate notices shall, if possible, be served on each registered Claimant or his Agent.

5. Strict proof must in every case be required that the losses incurred were really caused by the Mutiny, and on the part of those who sus-

6. The Governments of Bengal, the North-Western Provinces and the Punjab, the Chief Commissioner of Oude, and the Governor-General's Agents in Rajpootana and Central India will appoint one or more well qualified Officers, as noted in the margin, under the designation of *Compensation Commissioner*, for the purpose of conducting such further enquiries as may be deemed necessary into the claims which have been registered, and for disposing of the same.

6. As regards the claims of Natives whose active loyalty during the Mutiny has not already been clearly established, full proof of the same shall be required by the Compensation Commissioners before an award is given in their favor.

7. Losses of Merchandize and Stock in Trade will be classed with losses on Buildings, Factories and Crops.

8. In cases in which grants of money may have been made under the Rules of the 13th November 1857, (amended on the 21st July 1858) for the grant of assistance to sufferers in consequence of the Mutinies, the sums so granted will be taken into consideration in determining the amount of Compensation to be awarded under this Resolution.

9. When the enquiries of the Compensation Commissioners have been completed, an Abstract Statement of the results, showing the amount of claim made good in each case, will be forwarded to this Department, when it will be determined, on an inspection of the whole of the Abstract Statements, whether the full proportion of the claims that may have been established on the principles laid down in the Despatch of Her Majesty's Secretary of State can be paid, or whether a *pro rata* reduction must be made.

10. Inquiries into claims will ordinarily be made by the Commissioners themselves, but if in any case it should appear to them to be advisable that a local investigation should be instituted, they will be at liberty to cause such local investigation to be made through the Collector of the District, or other Officer exercising the functions of a Collector, on the distinct understanding that the results of such investigation must be reported to the Compensation Commissioners in time to enable them to complete their enquiries within the period mentioned in paragraph 3 of this Resolution.

11. The date for the payment of the Compensations which may be determined on will be fixed on the receipt of the Abstract Statements above alluded to, and will not, it is fully expected, be later than two months from the date appointed for the closing of the investigations.

12. Where two or more Compensation Commissioners are appointed, it will be understood that they should act independently of each other and at different places, and not that they should form one united Commission.

No. 125.

Camp La Martiniere, Lucknow,

Wednesday, the 26th October 1859.

Notifications.—His Excellency the Viceroy and Governor General to-day held a Durbar for the reception of the Talookdars of Oudh and the Chief Native Gentlemen of the City of Lucknow, and for the distribution of rewards of every rank who rendered good service to the Government during the rebellion.

First, His Excellency gave a private audience to each of the nine principal Talookdars of the Province who protected and saved the lives of Europeans and other Christian subjects of the Queen at the commencement of the rebellion. These are the following:—

Maharaja Drig Bijye Singh of Bulrampore.

Maharaja Man Singh of Shahgunge.

Raja Drig Bijye Singh of Morarnow.

Raja Lal Madho Singh of Ghur Amethes.

Raja Hunwunt Singh of Dharapoor and Kala-kunkurr.

Raja Hurdeo Buksh of Katiaree.

Raja Rustum Sah of Dera.

Baboo Ajeet Singh of Tiroulee.

Raja Murdun Singh of Burawa.

There were then presented to His Excellency the Native Military Officers present at Lucknow, who distinguished themselves during the rebellion, especially in the defence of the Residency.

The whole of the Talookdars and other principal Native Gentlemen were then received by His Excellency in open Durbar, at which His Excellency the Commander-in-Chief and all the Civil and

Military Officers of the Government and the Staff, the Chief Commissioner of Oudh and all the Civil and Military Officers of the Province at the Station, were present.

On the Viceroy taking his seat a Royal Salute was fired.

The Talookdars and others present at the Durbar were then introduced one by one to His Excellency and offered the usual Nuzzers, which were accepted.

Khilluts, Titles and other rewards in land and money were then conferred on those who by good service during the rebellion, especially by saving the lives of Europeans and rendering assistance to Her Majesty's Troops, had deserved well of the British Government.

The following Titles were conferred by His Excellency :—

On Raja Drig Bijye Singh of Bulrampore and Toolseepoor, the title of Maharaja Bahadoor.

On Raja Man Singh of Shahgunge and Gondah, the title of Maharajah Bahadoor.

On Baboo Roostum Sah of Dera and Amahut, the title of Rajah Bahadoor.

On Lala Goureesunker of Moorawun, the title of Rajah Bahadoor.

On Toola Ram Khyratee, the title of Rai Bahadoor.

The usual complimentary Khilluts were then distributed to the remaining Talookdars and Native Gentlemen attending the Durbar.

After this all those whose services during the rebellion entitled them to reward, but who did not form part of the Durbar, were brought in and presented one by one to his Excellency by whom their several rewards were then and their confirmed.

The Viceroy then addressed the assembly in the following words :—

" TALOOKDARS OF OUDH.—I am glad to find myself in your country and amongst you, and to have this opportunity of speaking to you in the name of the Queen your Sovereign.

" A year has not passed away since this Province was the seat of Anarchy and War. The conduct of its people had been such that the Government was compelled to lay a heavy hand upon it. But peace and order are now restored to every corner of Oudh, and I am come to speak to you not of the past but of the future.

" You have, all of you who are here present, received yesterday the grants of those Estates which the Government has restored to you.

" You will have seen by the terms of those grants that the ancient Talookadaree system of Oudh is revived and perpetuated.

" Be assured that so long as each one of you is a loyal and faithful subject, and a just master, his rights and dignity as a Talookdar will be upheld by me, and by every Representative of your Queen, and that no man shall disturb them.

" You will also have seen by those grants that the same rights are secured on the same conditions to your heirs for ever.

" Let this security be an encouragement to you to spend your care and time and money upon the improvement of your possessions.

" As the Government has been generous to you, so do you be generous to all those who hold under you down to the humblest tiller of the soil. Aid them by advances of money and by other indulgences to increase the productiveness of the land, and set them an example of order and obedience to your Rulers.

" Let the same security in your possessions encourage you to bring up your sons in a manner befitting the position which they will hereafter occupy as the Chiefs of Oudh. Learn yourselves, and teach them to look to the Government as a Father.

" Talookdars ; I trust that there are none amongst you who are so infatuated as to believe that the Government has had designs against your religion. Even if there be any such I will not condescend to repeat the assurances which they have already received on this head. I leave it to time and experience and their own senses to dispel their perverse suspicions. But for their own sakes I warn them not to be led into acts of opposition or distrust towards the Government by the false tales of designing men.

" Lastly, Talookdars, whenever in any matter you have doubts to be resolved or wishes to make known, address yourselves to the Chief Commissioner.

He will tell you the truth in all things. He is the high and trusted Representative of the Government in Oudh, and depend upon it, he will be your best adviser and your truest friend.

" I wish that I could speak to you in your own language. That which I have said will now be interpreted to you, and I enjoin you to bear it in your memories."

This address, translated into Hindoostani, was then read by the Secretary to the Government of India, in the Foreign Department, and, after the usual distribution of Atar and Pāp, the Viceroy left the seat under a Royal Salute, and the assembly broke up.

By order of His Excellency the Viceroy and Governor General.

RESOLUTION.—The Hon'ble the President in Council is pleased to direct that paragraphs 1 to 9 of

1. I have received and considered in Council your Despatches in this Department, dated the 23rd April last, Nos. 58 and 59, together with the papers which accompanied them, on the subject of the claims preferred to Compensation for losses of Property and Effects sustained during the recent Mutiny.

2. In Lord Stanley's Financial Despatch, dated the 28th October last, No. 17, noticing a Memorial from certain sufferers by the Mutiny, it was observed that the appointment of a Committee of investigation was in itself evidence of an intention to entertain claims to Compensation, so far as might be consistent with the interests of the State. It is not therefore necessary to discuss the question of granting some Compensation to those who have sustained losses, nor are Her Majesty's Government disposed to make any distinction between losses sustained by Europeans, whether servants of the State or otherwise, and by Natives of India whose active loyalty during the disturbances can be clearly established.

3. Her Majesty's Government cannot admit that there is any ground for the claims put forward by firms or individuals for losses of profits which, but for the

Mutiny, might have been realized, or by Insurance Offices for loss of Premiums through the death of persons whose lives had been assured.

4. The total amount of claims for loss during the Indian Mutiny, in support of which, so far as can be ascertained from the papers forwarded by you, *prima facie* evidence has been laid before the Commissioners, is Rs. 2,07,83,214, while further claims amounting to Rs. 32,67,783 are doubtful or require the production of further evidence. Of the former amount the sum of Rs. 9,25,493 represents the value of Plate, Jewellery, &c. The claims of Insurance Companies on account of loss of lives assured by them amount to Rs. 4,13,821 independently of the further claims on the same account which were forwarded with your letter No. 59.

5. After full consideration of the subject, Her Majesty's Government are of opinion that in granting Compensation a distinction should be made between losses on Buildings, Factories or Crops; and losses of Cash, Jewels and Articles of personalty. They have accordingly determined, that in regard to the former, when the amount of the admitted loss shall not exceed Rs. 2,000, Compensation to the extent of one-half shall be awarded, and in cases where the admitted loss shall exceed Rs. 2,000, Compensation shall be awarded to the extent of Rs. 1,000, and one-third of the sum by which the loss shall exceed Rs. 2,000. In regard to Cash, Jewels and Articles of personalty, they consider it proper to limit the Compensation to one-third of the admitted loss, in no one case granting a larger amount than Rs. 5,000.

6. It remains to decide in what way the amount required to meet the claims shall be provided, and when and in what form it shall be disbursed.

7. Her Majesty's Government agree with your Lordship that it would not be advisable that fines should be imposed on the rebellious Districts for the purpose of providing the necessary funds for this object.

8. In the present condition of the Finances of India, any additional charge upon the Revenues is necessarily most inconvenient, and Her Majesty's Government are of opinion that the amount to be granted must be limited by that consideration. They are anxious to meet as promptly as may be practicable the claims of the numerous sufferers, and they have therefore decided that the Compensation awarded shall be paid out of the General Revenue of the State, and be disbursed in cash in India at the earliest practicable period.

9. According to the information at present before me, and as far as I am able to form an estimate from the Statements forwarded, the amount which will have to be provided as Compensation, under the principle laid down in this Despatch, will not exceed Rupees 80,00,000; but Her Majesty's Government desire that it should be distinctly understood, that whatever may be the amount of losses substantiated, no larger sum than Rupees 1,00,00,000 can be granted for payment of Compensation, and that in the event of this sum being insufficient to satisfy the claims established on the foregoing principles, a *pro rata* reduction must be made. I shall be prepared to remit to you the requisite sum in the course of the ensuing winter.

could not have been prevented by the exercise of common prudence on the part of those who sustained them.

6. As regards the claims of Natives whose active loyalty during the Mutiny has not already been clearly established, full proof of the same shall be required by the Compensation Commissioners before an award is given in their favor.

7. Losses of Merchandize and Stock in Trade will be classed with losses on Buildings, Factories and Crops.

8. In cases in which grants of money may have been made under the Rules of the 13th November 1857, (amended on the 21st July 1858) for the grant of assistance to sufferers in consequence of the Mutinies, the sums so granted will be taken into consideration in determining the amount of Compensation to be awarded under this Resolution.

9. When the enquiries of the Compensation Commissioners have been completed, an Abstract Statement of the results, showing the amount of claim made good in each case, will be forwarded to this Department, when it will be determined, on an inspection of the whole of the Abstract Statements, whether the full proportion of the claims that may have been established on the principles laid down in the Despatch of Her Majesty's Secretary of State can be paid, or whether a *pro rata* reduction must be made.

10. Inquiries into claims will ordinarily be made by the Commissioners themselves, but if in any case it should appear to them to be advisable that a local investigation should be instituted, they will be at liberty to cause such local investigation to be made through the Collector of the District, or other Officer exercising the functions of a Collector, on the distinct understanding that the results of such investigation must be reported to the Compensation Commissioners in time to enable them to complete their enquiries within the period mentioned in paragraph 3 of this Resolution.

11. The date for the payment of the Compensations which may be determined on will be fixed on the receipt of the Abstract Statements above alluded to, and will not, it is fully expected, be later than two months from the date appointed for the closing of the investigations.

12. Where two or more Compensation Commissioners are appointed, it will be understood that they should act independently of each other and at different places, and not that they should form one united Commission.

OFFICE OF THE DIRECTOR-GENERAL
OF THE POST OFFICE IN INDIA,
January 1st, 1859.

The following Conditions are to be observed in sending Book-Packets by Post:—

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter

together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII., of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

	Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	...	0	4 0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	...	0	8 0

And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 4 oz. in weight, 1d. or 9 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

Notice.

THE following Extract of an Order of the Government of India, No. 884, of the 13th July 1855:—
“No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 P. M. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

THE exemption allowed to Officers with the Army from the charge of Forward Postage on re-directed letters has been continued by the Governor-General "until further orders."

Forward Newspapers.—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon, and Moulmein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 48 hours, of which they have the power on making a requisition.

- The Jageerdar of Gourihar.
- The Jageerdar of Nygwan.

On arrival and departure the Maharaja of Rewah received a Salute of 17 Guns; the Maharaja of Benares a Salute of 18 Guns; and the Maharaja of Chirkaree a Salute of 11 Guns.

The Viceroy was pleased to inform the Maharajas of Rewah and Chirkaree, and the Jageerdars of Logassee and Gourihar, that in consideration of

their loyalty to the British Government and of the services rendered by them during the rebellion, the Government would in the event of failure to any one of them of direct heirs recognize the privilege of adoption according to the ancient customs of their respective families.

Afterwards, the above-mentioned Chiefs and Jageerdars, and the other Native Chiefs and Gentlemen, together with the principal Civil and Military Officers of the Station, having been assembled in general Durbar, the Viceroy and Governor General, accompanied by His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

The customary Tribute and Offerings having been presented and accepted, Rewards and Khilluts were bestowed on each Native Chief and Gentlemen in succession.

The following rewards were given for loyal services during the rebellion :—

To the Maharaja of Rewah, a Khillut of the value of ten thousand Rupees and the District of Sohagpoor to him and his heirs in perpetuity.

To the Maharaja of Benares, a Khillut of the value of ten thousand Rupees, and the honor of an hereditary Salute of 13 Guns.

To the Maharaja of Chirkaree, a Khillut of the value of twenty thousand Rupees, the Pergunnah of Futtehpoor in Shahgurb in perpetuity, and the honor of an hereditary Salute of 11 Guns.

The distinguished services of this Chief, who not only adhered firmly to his alliance with the British Government throughout the rebellion but rendered active assistance to the Queen's Troops, and protected the lives of Her Majesty's Christian subjects at the imminent and unconcealed peril of his own, and to his own great loss were on this occasion publicly acknowledged by the Viceroy and Governor General. His Excellency was pleased to call the notice of the Commander-in-Chief and of the assembly to the signal devotion shown by the Maharaja to the Queen's Government, in his offer to surrender to the Rebels the person of his own son rather than that of a British Agent who was under his protection; and His Excellency enjoined all British Officers who might hereafter enter the territory of the Maharaja to remember these services and to render to His Highness the respect and consideration which he so eminently deserves.

To the Raja of Nagode, lands in the confiscated Estate of Bijoorajgurb, yielding Rupees four thousand a year.

To Raja Deonarain Singh Bahadoor of Benares, the title of Raja Bahadoor, a Khillut of the value of ten thousand Rupees, and a perpetual assignment on the Revenues of the Pergunnah of Syedpoor Bhittree.

To Dewan Sirdar Singh, Jageerdar of Logassi, the title of Rao Bahadoor, a Khillut of the value of ten thousand Rupees, and a Jageer of Rupees two thousand a year.

To Nana Hindooput, Jageerdar of Alipoora, a Khillut of the value of five thousand Rupees.

To Rajdhar Rooder Singh, Jageerdar of Gouri-har, the title of Rao Bahadoor and a Khillut of the value of ten thousand Rupees.

Other minor rewards were given, and those who were not entitled to reward received the usual complimentary Khillut.

After the customary ceremonies, His Excellency the Viceroy and Governor General left his seat under a Royal Salute and the assembly broke up.

This day the Viceroy and Governor General paid a return visit to each of the three principal Chiefs, the Maharajas of Rewah, Benares and Chirkaree, at their respective encampments.

His Excellency was accompanied by the Secretary to the Government of India, and by his Personal Staff, and escorted by a Squadron of H. M.'s 2nd Dragoon Guards, the Body Guard, and the 1st Punjab Irregular Cavalry.

At the Tent of each Chief His Excellency received, on arrival and departure, a Royal Salute. The usual offering was presented and accepted, and after the customary ceremonies His Excellency retired.

By order of His Excellency the Viceroy and Governor General.

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies :—

"It is allowed that no deduction is made on account of leaves of absence during the five years required to qualify a Lieutenant-Colonel

for the promotion.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

Letter from —, dated 3rd May 1859, No. 61, paragraphs 1 to 10 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October 1854 and 14th October 1858.

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond Sea should be reckoned in the qualifying period.

2nd. Lieutenant-Colonel Leith of the Bombay Army completed three years in that rank on the 8th November 1858. He has been omitted from the promotions recently made in India, because the Warrant of October 1854 ceased to be in force after the 14th October 1858, the date of the new Warrant.

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	"	510
Total Chests			1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be placed in the hands of the Solicitor to the Govern-

ment for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first bona fide bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, viz., two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, destruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to Sale in the year 1860, on or about the dates specified below. No. 361.

His Excellency the Viceroy and Governor General held a Durbar to-day for the reception of His Highness the Nawab of Rampoor, and of the principal Native Chiefs and gentlemen of the

Rohileund, Meerut and Agra Divisions of the North-West Provinces.

The Nawab, accompanied by his two elder sons and his brother, had a private audience of His Excellency, and received, both on arrival and on departure, a Salute of 13 Guns.

After this the Nawab and the other Native Chiefs and gentlemen, together with the principal Civil and Military Officers of the Station, being assembled in general Durbar, the Viceroy and Governor General, with His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

The Nawab of Rampoor, and every other Native Chief and gentlemen present were then introduced one by one to the Viceroy, and their customary offerings having been accepted, His Excellency bestowed on them suitable rewards and Khilluts.

The following rewards were given for loyalty to the British Government and good services during the rebellion :—

To the Nawab of Rampoor, a Khillut of the value of twenty thousand Rupees; the Pergunnah of Kasheepoor in the District of Moradabad, to him and his heirs in perpetuity; an increase in his Salute from 11 to 13 Guns, and a corresponding addition to his honorary designation and form of address.

In conferring these rewards on the Nawab, the Viceroy and Governor General addressed His Highness in the following words:—Nawab of Rampoor.

"It is very agreeable to me to have this opportunity of thanking you for the admirable service which you have done to the Queen's Government.

"It is not enough to say that you have stood personally loyal in the midst of disloyalty. You have done much more. You have aided the Officers of the Queen by all the means at the disposal of your State, and you have, by your own earnest exertions, and at much personal risk maintained order around you. But, above all, you effected the safety and provided for the comfort of a multitude of Her Majesty's Christian Subjects at the time when danger most pressed them.

"I am glad to declare these signal services in the presence of the Commander-in-Chief of the Queen's Armies in India, and before many of Her Majesty's most distinguished Officers, and many Civil functionaries in high authority in the Districts adjoining your own Territory, and from other parts of India."

"I am sure that none of them will forget what you have done, and I hope that every one of your fellow-countrymen who are here present, will keep in view the example of loyalty and good service which you have set before them."

To Ali Asghur Khan, son-in-law of the Nawab, a Khillut of the value of five thousand Rupees.

To Rajah Sheoraj Sing of Kasheepoor, a Khillut of the value of four thousand Rupees and the proprietary right in confiscated villages assessed at 2,000 Rupees a year.

To Hukeem Saadut Ali, a Khillut of the value of five thousand Rupees and the proprietary right in confiscated villages assessed at 4,000 Rupees a year.

To Maulavi Wajihulzaman, a Khillut of the value of two thousand Rupees.

To Ali Buksh Khan, a Khillut of the value of five thousand Rupees and the proprietary right in confiscated villages assessed at 3,000 Rupees a year.

Other minor rewards were also given.

When the Rajah of Powain stood before the Viceroy to receive his complimentary Khillut, His Excellency said :—

"Tell the Rajah of Powain that he is to remember that he has been admitted to this Durbar in consideration of the good service which he latterly rendered to the Queen's Government; and that as there have been passages in his conduct during the early part of the two past years which I wish to forget, I expect that he will do nothing henceforward which shall either by disobedience to the Government or by want of loyalty to his Sovereign, serve to remind me of them."

After the concluding ceremonies the Viceroy left his seat under a Royal Salute, and the assembly broke up.

In the afternoon the Viceroy accompanied by the Secretary to the Government of India and by the Officers of His Excellency's personal Staff, paid a return visit to the Nawab of Rampoor.

The Viceroy was met by the Nawab half way between the two encampments, and received at His Highness' Tent on arrival and departure, a Royal Salute.

The usual offerings having been presented and accepted, and the customary ceremonies observed, His Excellency retired.

The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate accession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, viz., two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to Sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

Article 6th.—“ With regard to the Trade in “ Opium it is agreed between “ the high contracting parties “ that at each of the periodical “ Sales of that Article there “ shall be reserved for the French Government “ and delivered upon requisition duly made by “ the Agents of His Most Christian Majesty or “ by the persons duly appointed by them, the

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz:—

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	„	510
Total Chests			1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be placed in the hands of the Solicitor to the Govern-

ment for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug has kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.
